

REMARKS

In the Claims:

5 Pursuant to the Examiner's objection to Claim 17 for informalities, Applicant respectfully requests the Examiner's correct Claim 17 as follows:

A. Line 1, replace "1implemented" with -- 1, implemented --.

10 Applicant considers the correction as minor and requests that the Examiner make such Amendment as the Examiner's Amemdment. Additionally, Applicant is herewith submitting a Terminal Disclaimer in reference to U.S. Patent Number 6,644,117.

Respectfully Submitted,
